ACKNOWLEDGEMENT

I would like to express my sincere gratitude to all those who have supported and guided me in the successful completion of this project report on “Field Visit Report on Modern Recirculating Aquaculture System (RAS)”.

First and foremost, I am deeply thankful to my guide, Prof. Rahane N.A, for her valuable guidance, continuous support, and encouragement throughout the project work. Her suggestions and insights helped me to understand the topic in a better and more practical way.

I would also like to express my heartfelt thanks to the Head of the Department, Prof. Panhalkar A.R, for providing the necessary facilities and support to carry out this project successfully.

I am grateful to the management and staff of the fish farming unit at Kanoli for allowing us to visit their facility and for sharing their knowledge and experience regarding modern aquaculture practices.

I would also like to thank all the teachers, my friends, and classmates for their cooperation, motivation, and support during the completion of this report.

Lastly, I express my sincere thanks to my family for their constant encouragement and support.

Mr. Rushikesh Ravindra Gunjal [1373]
